What does God want to do in you, through you, and for you?

**The Monday Alignment:**

"When a believing person prays, great things happen!"  
James 5:16 (NCV)

- Pray for insight about how to leverage the story of your past.
- Pray for greater faith to lean on God in the story being written right now.
- Pray for the courage to live out your life's story in that it will reflect the glory of God.
- Pray that the story of our church will fulfill God's purposes.

**Community Groups Questions/Suggestions:**

1. What about your past do you regret the most? What did others do to hurt you? What did you do to hurt yourself?
2. God can even use the bad in the past to shape you into something beautiful both now and in the future. How do you think God wants you to leverage those past experiences to fulfill His purposes?
3. What are you currently going through that is difficult?
4. What promises of God can you hold on to?
5. What do you believe about yourself—what does your life's story read like? Is that consistent with God's view of you according to Scripture? Believe God wants to work in you, through you and for you—and live life to the fullest!
