Do you have 6 months worth of savings in “case of emergency?”
Do you have ALL of your bills (including student loans, home & cars) paid off? Do you have the financial freedom to have fun with your money? Can you “pay cash” for your new purchases (furniture, school clothes, vacations, etc.)? If the answers to any of these questions is “no” then consider enrolling in Financial Peace University. It starts on June 30th at Goerke’s. Even if you’ll miss a couple classes, it **could be the most important few weeks** you ever spend!! You ARE NOT ALONE!! The average American family is over \$60,000 in credit card debt... This is the first step in getting yourself out. Won’t you join us?

*In about a month **Jeannine will be travelling to Cambodia** with Asia’s Hope Ministries. She will be exploring the possibilities of The Waters potential commitment to an orphanage. **Her short term mission trip** is a partial fulfillment to the mission Jesus has given us: **to share the gospel both locally and globally**. As a loving and committed family we are asking for each person who calls The Waters home to **help offset Jeannine’s expenses** for this short term mission trip. **The total cost will be around \$2500 and we believe it to be an honor to raise the money needed for this trip**. This is your last week to offer your financial support. We are asking that whatever you may give be above and beyond your tithes and offerings to The Waters as that is needed to keep us operational.*
